Green Team Update Expect to be approved for 190 points and look forward to recertification in 2015. Town Day was successful. Cleanup will be 11/8. Would like to see monthly balances for Green Team and T-Mobil from KJ and a monthly recycling report.

Projects for 2015 Remediation at Beechwood; local nature center information; focus on Green acres; calendar.

Old Business 106 Realty—Peter feels they may withdraw.

New Business A HP citizen is concerned about the trash in the waterway connecting to the reservoir. Ray Cywinski at UW is willing to help. The resident is also concerned about the fishing. The county will do a project near the Knickerbocker Exxon Station. Maybe the Mayor and Council will post no parking signs in the grassy area.

Peter thanked Michelle for following up on the Green Acres funding. It seems possible. The Green Team will present to the Mayor and Council.

Email from Ann Bistriz about Sustainable Jersey about solar panels. 11/5 deadline. Who would write?

Michelle reported that the Mayor and Council authorized borough attorney to discuss with Verizon the matter of adding space on the cell tower.

Discussion of replacement for Miriam.

Joey Niece's Eagle project has been vandalized. The Green Team might buy replacement knobs and signs.

The following are notes from Peter about Town Day: Thank you everyone for a very successful town day. The Green Team sales resulted in an exact total of \$451.00 in the cash box, so the profit was that number minus the seed money...Cindy, how much was in the box to start?

Take away notes-

- corn sold out, last 7 sold at reduced rate at end

- all the bread sold except for one bag of rolls. Last 5 bags sold at reduced rate.

 - Stuffed bread gone by 2:30

- all the cookies sold out by 3 PM

- sold 82 glasses of lemonade
