From the Mayor's Desk....

WORKING TOGETHER TO SOLVE A PROBLEM

Each school day, we have seven well qualified and dedicated people serving the community as school crossing guards. In the past, they have been paid \$45.20 per day for 70 minutes of service. This year \$10,000 was cut from this line item in the municipal budget. As a result, the Council was forced to either cut a position or reduce the salary of the guards.

Just prior to the school opening in September, the salary for the guards was reduced to \$30 per day. As a result of the dissatisfaction associated with this action, the guards all called in sick on opening day. During the day, Chief Moppert was told twice to ask the guards to return to their posts, with the understanding that discussions would start immediately to try and reach a reasonable settlement.

When the crossing guards did not return, the Mayor and Council voted that evening to advertize for additional personnel. In addition, most of the Council offered to fill in as volunteers. Those who volunteered also agreed to take the required training. None of the guards were fired.

Upon their return to their posts, discussions started, as promised. Rather than dealing with who is to blame, we are working together in order to solve the problem. I am pleased to report we are making progress and hopefully, we will have an agreement soon. The safety of our children remains our greatest concern.

\$15,000 DONATED FOR TOWN DAY

Councilwoman Mary Dunlea spent hours attempting to secure donations for Harrington Park Town Day and Fireworks. Her efforts resulted in a total of \$15,000 being donated by various local businesses. As a town, we are very grateful for the support we received from the following:

Bank of New Jersey	TD Bank North	Rockland Electric	United Water
Dairy Queen of Old Tappan			

These contributions allowed us to provide the residents of HP with a fun filled day of activities, including an outstanding fireworks display at no cost to the HP tax payers.

Thank you to those who supported us and please keep them in mind as part of your business activities.

HIGHLAND PARK CLEAN UP

Through the efforts of Will Maltin, a group of Harrington Park students volunteered to clean up the debris that had accumulated in and around Highland Field.

The group included:

Alex Castro	Zak Chabora	Ciara Dunlea	Rachel Lott
Chris Maher	Will Maltin	Angela Muscariello	Marissa Neglia
Victoria Paternostro	Jordan Silver	Tyler Symons	Hannah Wolfe

Their time and effort resulted in the removal of many bags of paper, bottles, cans and related items. Hopefully, their leadership in this environmental area will serve as a strong reminder to others.

PLEASE DO NOT LITTER OUR PARKS OR OTHER AREAS OF THE BOROUGH.

Thank you for your time and concern.

NEW GRANT APPLICATION

At our September 21, 2009 Mayor and Council meeting, the Council approved a new grant application in the amount of \$165,000. The purpose of the grant is to install an elevator at our public library to make it handicapped accessible.

The grant is made through the Community Development Fund. We will argue our cause during the late winter/early spring meeting. I will keep you posted.
