Re: HP Resident

RESIDENTIAL CERTIFICATE OF CONTINUED OCCUPANCY IS NOW REQUIRED

As of July 1, 2012 any rental, lease or sale of any residential use will require the owner to apply and secure a **certificate of continued occupancy** from the Harrington Park Building Department.

This inspection is in addition to the Smoke detector/Carbon Monoxide Certificate also filed through the Building Department.

The following are some of the required items that will be inspected/confirmed.

1. Closing all outstanding construction permits.
2. Verifying the use of the property (one, two, multi-family etc).
3. Ensuring there is no sump pump connected into the sanitary system or any other unauthorized connection.
4. Sidewalk maintenance.
5. Any code compliance issues.

It is suggested to file the application for these inspections as soon as possible after your sale or rental is confirmed. By doing so will help ensure that there will be no delay in your closing or occupancy of the house.

If there are any questions, please feel free to contact the Building Department at 201-768-2585

**BOY SCOUT CELEBRATION-100 YEARS IN HARRINGTON PARK
OCTOBER 14TH AT THE COMMUNITY CHURCH**

Recognition of the anniversary of the Boy Scouts in Harrington Park will be part of the Sunday morning worship service.

After morning services join us for a slide show and displays of various scouting activities. Refreshments will be served.

Show your appreciation for this meaningful activity for Harrington Park's boys.

Over 100 boys have earned the rank of Eagle Scout through the Troops in Harrington Park.

ALL FORMER SCOUTS ARE INVITED TO ATTEND!

Boy Scout Troop 616

Anthony Venezia, Troop Master
hpnj616@gmail.com

The Boy Scouts collect used computer ink cartridges and cell phones to recycle. Drop off at Borough Hall.

**Environmental Commission/Green
Team Tips....**

Over the last three years, Harrington Park residents have recycled about 25% of their household garbage. That means that 75% was sent directly to landfills.

This is not only bad for the environment, but it is the most expensive way to dispose of our waste. It is cheaper to recycle and it's the law! Harrington Park actually makes money from recycled aluminum, clear glass, paper and cardboard brought to the recycling center. According to many experts up to 75% of household waste can be recycled.

Check out the Green Team blog
(<http://hpgreenteam.wordpress.com/>)
for more information on recycling.

FROM THE MAYOR'S DESK...

LIGHTENING DETECTION PLAN PROPOSED

As a result of the loss of life during a recent lightening and thunder storm in Demarest, our Superintendent of Schools, Dr. Adam Fried, has taken the lead in proposing a regional lightening detection plan for the seven towns served by the Northern Valley Regional School district. A shared service program is the objective that will provide an early warning system for recreational fields, golf courses, school facilities and area swim clubs.

A meeting of local elected officials as well as educational leaders will be scheduled to further develop a plan that will help safeguard all our citizens. The shared service concept will help keep the cost down for each of the towns involved. I will keep you posted as to our progress.

FIRE CHIEF'S PARADE ON OCTOBER 6, 2012

On Saturday, October 6, 2012 at 1:00pm, the Northern Valley Fire Chiefs' Parade will commence at the Borough Hall in Demarest. Over the course of years, our Fire Department has consistently made a great showing. This year, under the leadership of William Blackinton, you can be assured our firefighters will again make an outstanding presentation. Please consider joining up along the line of marching and show your appreciation and support for the valuable service our volunteers provide us. The parade is followed by a reception that you are sure to enjoy. I hope to see you there.

WOMEN'S CLUB CELEBRATES ITS 65TH BIRTHDAY

In early 1947, a group of dedicated women formed the Harrington Park Women's Club. For sixty-five years the residents of Harrington Park have benefited from the work and causes the club has addressed. When you read some of the documents and minutes of the Women's Club, it becomes apparent that many of the key players of the club have a strong family tradition of services to the Borough.

On Tuesday, October 9, 2012, at 1:00pm I will be pleased to present Mrs. Dee McMorrow, the Club's President, a proclamation expressing our thanks and appreciation for all the good work the Women's Club has done to improve our quality of life. Happy Birthday and keep up the good work!

HARRINGTON PARK TALENT BANK

Each year there are openings on the various boards and commissions that help us meet the needs of local government. These boards include Planning Board, Board of Adjustment, Board of Health, Recreation Commission, Environmental Commission and the Library Board.

If you have the time and interest to serve please let me know. All that matters is your willingness to serve and your ability to attend regular monthly meetings.

CONTINUED ON NEXT PAGE...

FROM THE MAYOR'S DESK...

MARION LUSK HONORED BY CLUB 60

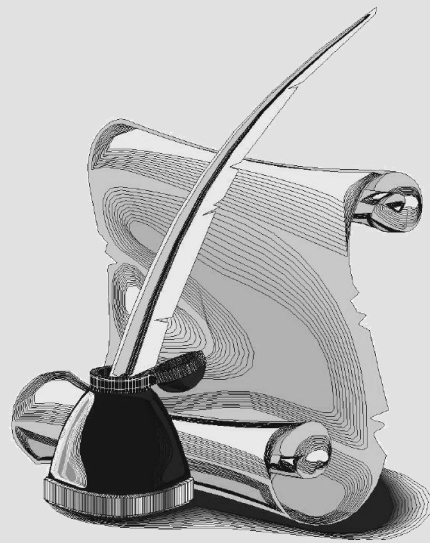

For many years, Mrs. Marion Lusk has been active as a volunteer at Brookside Village, and Club 60. In 2006, Marion was honored as our ***Citizen of the Year***. She has served in almost every leadership position in Club 60 and was a major force in the revitalization of the Club. Many of the most memorable club trips were the result of her hard work and planning. I was extremely impressed with the complimentary remarks made by the Club's membership.

Marion is a great example of what an individual can accomplish in service to her peers. Thank you Marion, we wish you many more years of good health and happy times.

REMEMBER THOSE IN NEED

St. Andrew's Church 20th Annual Fall Food Drive started September 20th. Shopping bags were distributed to all Harrington Park homes. If you missed the drop off dates (9/29-30) call 201-768-0819 to make other arrangements. Please consider filling a bag or two with non-perishables (no glass). Our area food pantries are low and need your help. Thank you for the consideration.

Owned And Operated By NRT LLC.

Protecting our environment.

Serving our community.

Today and tomorrow. We know
the two go hand in hand.

That's why everything we do
is focused on what you need
today while we plan and prepare
for what the world might need
tomorrow. Clean water. A healthy
Earth. For your small corner
of the world and for the global
community.

Every day we're your vital
resource, providing stewardship
of our most vital natural
resources.

Oct. / Nov. 2012 Edition of the Harrington Park Newsletter

Your letter carrier takes pride in delivering your mail promptly and efficiently. Please make sure your mailboxes are approachable without interference from your pets. We are requesting your assistance by asking you to confine your dog away from the path that your carrier uses to deliver your mail. With much appreciation,
Mark Hannon
Postmaster
