DID you know...?

Our library has over 1700 unabridged audio books and playaways for adults and children... NO CHARGE DVD rental of the latest movies and releases...over 2300 CDs for your listening pleasure and over 100 magazines that can be borrowed and daily periodicals that you may read in our comfortable setting. Internet is available on select computers and there is also FREE WiFi. Korean periodicals and DVDs available and the services of BCCLS can bring you items from 11 other libraries.

Friends of the HP Library News

The Dora Lyn Coyman Graduate Scholarship was awarded to two Harrington Park residents on June 20. Kim Boyle was awarded \$1000 and Leanne Schettino was given \$500 for writing winning essays on how the library has impacted their life. The scholarship was created by the Friends in memory of Dora Lyn Coyman who worked and volunteered at the HP library for over 40 years.

RESIDENTIAL CERTIFICATE OF CONTINUED OCCUPANCY IS NOW REQUIRED

As of July 1, 2012 any rental, lease or sale of any residential use will require the owner to apply and secure a **certificate of continued occupancy** from the Harrington Park Building Department.

This inspection is in addition to the Smoke detector/Carbon Monoxide Certificate also filed through the Building Department.

The following are some of the required items that will be inspected/confirmed.

1. Closing all outstanding construction permits.
2. Verifying the use of the property (one, two, multi-family etc).
3. Ensuring there is no sump pump connected into the sanitary system or any other unauthorized connection.
4. Sidewalk maintenance.
5. Any code compliance issues.

It is suggested to file the application for these inspections as soon as possible after your sale or rental is confirmed. By doing so will help ensure that there will be no delay in your closing or occupancy of the house.

If there are any questions, please feel free to contact the Building Department at 201-768-2585

**Environmental Commission/Green
Team Tips....**

Home composting reduces your amount of garbage
by 25%, saving collection and disposal costs. Also,
you would be creating valuable mulch to use in your
gardens and around your shrubs. Compost
enhances the soils ability to retain moisture and
reduce the need for chemical fertilizers.

PURCHASE your own EARTH MACHINE \$53

The Earth Machine can be used to compost fruit
and vegetable scraps, crushed egg shells, coffee
grinds, tea bags as well as lawn and garden clippings
and leaves.

FROM THE MAYOR'S DESK...

ALBERT MAALOUF SWORN-IN AS CHIEF

With standing room only, on July 16, 2012, Albert Maalouf was appointed and sworn in as Chief of Police of Harrington Park. Chief Maalouf is a long time employee of the Borough with an outstanding work ethic and recognized for his attention to detail. The Chief has expressed his plans for improving the relationship of the Police Department with the residents as well as enhancing current security services that are provided. Chief Maalouf's appointment was by unanimous vote by the Council members present.

COURT OF HONOR FOR BRAD BISTRITZ

On October 7, 2012, Boy Scout Troop 616 will hold a Court of Honor for our new Eagle Scout. On March 29, 2012, Brad finished the work and interview required for this outstanding accomplishment. The ceremony will take place at the Community Church at 2pm. Please feel to attend this special program.

Brad joins a large group of young men who have achieved the rank of Eagle Scout as a member of Troop 616. Even at his young age, Brad has made numerous contributions to the Borough of Harrington Park and we wish him well in his future pursuits. Brad's project was the construction of a kiosk sign at the entrance of the Old Burying Ground on Tappan Road. Visitors of the OBG are now provided with background information and a map to walk the site and learn about those buried on the grounds as well as some history of Harrington Park.

A SPECIAL THANK YOU TO TOMMY THOMPSON

I have been a long time supporter of patronizing our local business people. Recently, we experienced a substantial problem at the back shed located at Highland Field. The main water supply valve cracked and needed to be repaired. Mr. Thompson of TC Plumbing in Harrington Park replaced the devise and part of the underground line. All this work was done free of charge saving the Bough Recreation Program a great deal of money.

All of us, but especially those involved in Recreation Program, greatly appreciate what he has done. Thank you Tom.

AN OLYMPIAN IN TRAINING

In the years to come we may be cheering for our own Chris Kruimer during the Summer Olympics. Chris recently qualified on the three meter board for the Junior Olympics Zone "A" United States National Championships.

Chris drives for the National and Travel High Dive Champions Junior Olympic Dive Team in

Purchase, New York. We all understand the time and discipline required in the development of the skills associated with this sport. The future looks good for young Chris and we congratulate him and wish him well in his future efforts.

CONTINUED ON NEXT PAGE...

FROM THE MAYOR'S DESK...

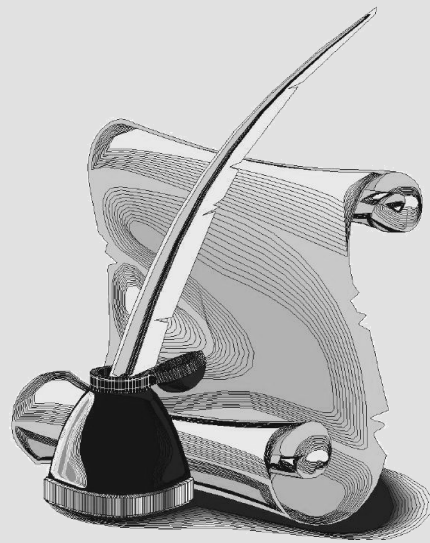

BOROUGH HALL EXTERIOR IMPROVEMENTS

The Mayor and Council are seeking quotes for the exterior repairs required at Borough Hall. We have already installed new windows and doors and now would like to re-shingle our roof and install new flashings along with new trim and millwork. The building is over 50 years old and needs immediate attention.

NEW BOND ORDINANCE UNDER CONSIDERATION

At the request of both the Fire Department and Ambulance Corps, the Council is considering the purchase of a new fire truck and ambulance. Both of these volunteer groups have served us well for years. The purchase of the proper equipment will help maintain this high level of service. In addition to the equipment, a portion of the bond ordinance would fund road paving for several streets throughout the town.

Owned And Operated By NRT LLC.

Protecting our environment.

Serving our community.

Today and tomorrow. We know
the two go hand in hand.

That's why everything we do
is focused on what you need
today while we plan and prepare
for what the world might need
tomorrow. Clean water. A healthy
Earth. For your small corner
of the world and for the global
community.

Every day we're your vital
resource, providing stewardship
of our most vital natural
resources.

September 2012 Edition of the Harrington Park Newsletter

Your letter carrier takes pride in delivering your mail promptly and efficiently. Please make sure your mailboxes are approachable without interference from your pets. We are requesting your assistance by asking you to confine your dog away from the path that your carrier uses to deliver your mail. With much appreciation,
Mark Hannon
Postmaster
